

The Town of Middlesex Highway Department is planning to implement a 5-year mandatory sign-updating schedule. Starting in the summer of 2012, we plan to upgrade all street and regulatory signs to the current MUTCD standards, which include size, placement, and retro reflectivity. We have allocated funds in our budget and have allotted time for this project in order to complete it in a timely fashion.

Here is an overview of the estimated schedule in which the signs are to be replaced in Middlesex.
