Old Business

The members of the planning commission discussed ideas and questions that were developed in preparation for the Town Plan Questionnaire and briefly talked about the purpose of the town plan. The PC conversed on some of the effective methods for administering the completed survey i.e. Middlesex Town Website, Front Porch Forum, door to door, Survey Monkey, etc. There was a discussion regarding who will receive the survey i.e. registered voters, property owners, the town census, renters, out-of-town property owners, etc. For next month's meeting, it was decided that each commissioner will prepare 20 possible Town Plan questions for further discussion.
