Special Select Board Meeting
September 20, 2011

Present: Matt Dwire, Liz Fortman, Mary Just Skinner, Peter Hood, Jody Ann Dwire,
Mary Hood Alexander

Peter distributed copies of the temporary emergency health order for 165 Wood Road in
Middlesex, Vermont.

Peter convened the hearing at 5:10 pm.

Peter noted that Charles Merriman wrote the order and Liz Fortman, Health Officer
signed the order.

The purpose of this hearing is to make the temporary order a permanent order. None of
the parties served were present at the hearing. A quorum of the select board as well as
the health officer was present.

Peter swore in Liz Fortman and she gave a brief overview of the order. Liz stated that the
property is a mess including black mold, rodent feces, water leaking from the light
fixtures and fuel tank leakage on the dirt floor. See the order for more details.

Mary Hood Alexander asked who manages the property. Barrett Gregoire is the property
manager; he signs the lease agreements and receives the money. Liz said she had earlier
requested he not lease the other side of the property, but he did.

Peter indicated that the amended language on the permanent order will state that the order
will be posted at 165 Wood Road.

Mary Hood Alexander moved to make the temporary order a permanent order. Matt
Dwire seconded the motion. All were in favor.

Peter asked if there was any other business.

Meeting adjourned at 5:16 pm.
