

**Middlesex Town Meeting Solutions Committee**  
**Meeting Minutes**  
**February 7, 2012**

Present: Susan Clark, John Krezinski, Sean Sheehan, Dave Shepard, Greg Whitchurch

**1. Minutes of Previous Meeting**

Greg moved approval of the minutes of the January 3, 2012 meeting of the Town Meeting Solutions Committee (TMSC) meeting with a second from Susan. The minutes were approved.

**2. Discretionary Funding Taskforce**

This group that reviews requests from non-profit organizations for funding at Town Meeting has met and prepared a report for inclusion in the Town Report.

**3. Calendar Tool**

Sean, on behalf of E-Vermont, reported that the capability exists to post calendar items on Front Porch Forum (FPF) and these events will show up on the calendar on the Middlesex town website. Events can also be added from the town website but it still happens through FPF. This capability has been active since mid January.

**4. Rumney School Facilities Committee**

A funding request for \$30,000 to conduct a facilities evaluation of Rumney School will be on the ballot at Town Meeting. The study is intended to help answer questions about improvements needed for the school facility. The assessment will be conducted by professionals in the field. The School Board is interested in help getting the word out about this proposed evaluation. Suggestions included posts to FPF from different members of the Facilities Committee and the town website blog.

**5. Town Meeting Preparation**

- Remote Town Meeting Participation:

Greg could use some assistance with this task. John said he could help and Lauri Scharf and Chris Reilly were also suggested as possibilities.

- Budget Pie Charts:

Greg will work with John Riley on the pie charts and the spreadsheet that is typically placed on the chairs at Town Meeting.

- Childcare:

Childcare will be provided through Community Connections.

Meeting adjourned at 9:05 p.m.

Next meeting: Monday, April 9th
