5:05 **Continuing Conversations re: MVFD**

The Select Board is holding this second Special Meeting in response to concerns from adjoining towns that the Middlesex Volunteer Fire Department does not, or cannot, live up to its "mutual aid" agreement by reliably responding to fires and emergencies in neighboring communities. The question before the Select Board is whether to continue with the current fire-protection system – in which a separate 501C3 organization made up of volunteer firefighters from Middlesex and surrounding communities provides emergency services using a town-owned building with town-owned equipment – or explore alternative systems. The Board is eager for community input on this important issue and strongly encourages those interested in the future of the MVFD to attend via Zoom and, if inclined, participate. Action possible.
